

# Reeve's DELIVERY

## HOW IT WORKS

Screws or sheet metal, tools or tailwheels, oil or tires – anything you can pick up at Reeve's or Airframes Alaska we'll deliver for free to three spots in the Mat-Su. Here's how it works:

### PLACE ORDER

Place your order with Airframes Alaska or Reeve Air Motive, noting your requested drop location. Payment is required at the time of order. We'll let you know your order's delivery day, time, and pickup instructions. You'll receive either an email or text message (depending on your preference) when your order is delivered.

For TUESDAY/THURSDAY PM DROPS, place order by COB Monday/Wednesday. Orders placed Thursday through Monday will be delivered on Tuesday. Same day delivery not available.

### PICK UP ORDER

Sign for your order on the drop spot delivery form and take your parts.

## SHOP DELIVERY

Reeve Air Motive/Airframes Alaska also delivers direct to shops on Merrill Field and Lake Hood. If you'd like to be considered for a regular shop delivery, give us a call or drop by.
